

FBE Coated Series 100 MJ x MJ Adapters with Star Blue Hardware

Star Pipe Products extends its Series 100 MJ x MJ Adapter in sizes 3" to 36" to include FBE coated adapters with Star Blue hardware. Please contact your Territory Manager or Customer Service Representative for pricing and availability. Submittals are available online and can be downloaded at www.StarPipeProducts.com.

Series 100 MJ x MJ Adapter Features:

- Provides a bolt-through restraint option for MJ bell connections
- Compact design allows connection of two MJ bells with minimum spacing.
- Maximum distance between MJ connections is only 1 ¾".
- 350 psi maximum working pressure.
- Provides for fast, easy installation of a restrained connection.
- FBE coating is UL/ANSI/NSF Standards 61 and 372 compliant.

Star Pipe Products has been manufacturing and distributing quality iron products for the water and wastewater industry since 1981. With fourteen distribution centers across North America and over 300 employees, Star Pipe Products remains committed to providing customers with quality products and professional service.
